OFFICE OF THE Deputy Commissioner,
MYSORE DISTRICT,

Dated Mysore July 25 1898

To

The Secretary to the Government of Mysore,
General and Revenue Departments.

SIR,

I have the honor to state that persons who purchased lands under the new Chamaraj channel extension, Jeddalore talook, at the public sale held by me on the 10th instant, and succeeding days, stand in need of help from Government to enable them to bring their lands under cultivation.

2. The difficulty generally felt by them consists in procuring cultivators in the vicinity, and it is also applicable to the case of lands set apart as endowments for the Sitarilas and Chamarajendra Agrahara Mysore City.

3. The establishment of a village in some central place, and the offer of certain concessions to induce agriculturists to come and settle there would seem to be a sine qua non. Some of the ryots of Mirle and Sahigam who are in want of lands expressed a desire to cultivate the new lands under the Chamaraj channel extension, and to build houses in the neighbourhood thereof

4. I have selected a suitable site for the Village and have arranged for the same being allotted for building purposes, with due regard to the requirements in respect of sanitation &c. The Amildar has been directed to make it known to the public that ryots who would build houses and settle down in the locality within 2 months from the date of such allotment will be granted the requisite sites free, and that they will thereafter be each given 2 acres of dry land for cultivation on assessment, one free of charge and the other on payment of an upset price therefor.

5.- Persons who do not conform to the above conditions will not be admitted to the concessions proposed. I beg to solicit confirmation of the action taken by me in the matter.

6.- In conclusion I may add that the success of the sale of the lands extending over 600 and odd acres which fetched nearly Rupees 71,000 is mainly due to a promise held out by me to afford every possible facility to establish

W
a new village in a most Central
part where the lands are situated.

I have the honor to be

Sir,

your most obed^t. Serv^t
